- ◆ Enclosed bell sleeve allows conversion from a pediatric diaphragm to an adult deep cone bell.
- ◆ Stainless Steel chest piece precisely machined to exacting tolerances for outstanding performance.
- ◆ Ultra-sensitive Snap-On fiberglass diaphragms for greater amplification and crisper frequency range response.
- ◆ Non-chill bell and diaphragm retaining rims for patient comfort.
- ◆ Binaural are adjustable to any angle for greater comfort.
- ◆ Thick bi-lumen (two tubes in one) PVC tubing - stays soft and flexible and helps block out external noise.
